

Parent-School Compact

Arthur County Schools

The Arthur County School District and the parents of students participating in activities, services, and programs funded by Title I have jointly developed this Compact which outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve Nebraska's high academic standards. At the annual parent-teacher conferences, the compact shall be discussed as it relates to the individual child's achievement.
